Current National Bibliographies. Compiled by Helen F. Conover. 1955. v, 132 p. L. C. Card, 55-60025

Comprehensive annotated listing of bibliographies of all forms of published material, the chief criteria for selection being currency and completeness of coverage within a single country. Arranged by areas and individual countries, entries are divided, where resources permit, into four groups for each country: General (books and other types of material). Periodical articles. Government publications. Newspapers and periodicals. East European countries represented include Bulgaria, Czechoslovakia, Hungary, Poland, Rumania, and Yugoslavia. A title index and a directory of publishers are provided. Price $0.75*

East and East Central Europe. *Periodicals in English and Other West European Languages.* Compiled by Paul L. Horecky with the assistance of Janina Wojcicka. 1958. v, 126 p. L. C. Card, 58-60065

An annotated bibliography of current periodicals primarily in English, French, and German; within this language limitation, coverage includes periodicals which deal with the peoples and countries of East and East Central Europe as well as with the ethnic groups originating from this area, periodicals issued in these countries, and periodicals which include translations or abstracts of materials published in the area. Arranged by country, with titles concerning the area as a whole grouped separately. Title and entry index. Price $0.95†

Estonia. *A Selected Bibliography.* Compiled by Salme Kurl. 1958. iv, 74 p. L. C. Card, 58-60040

Intended for the nonspecialist with preference given primarily to titles in English and secondarily to titles in French and German. The call number or location symbol is included for works in the Library of Congress; the location of works in other American libraries is indicated by the symbols used in the *Union List of Serials*. Arranged by subject with an author and title index. Price $0.75†
